Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$2 million in community project funding for the New Haven Public Schools:
Manufacturing Technology High School Preparation Program.

The entity to receive funding for this project is New Haven Public Schools, located at 54
Meadow Street, New Haven, CT 06519.

The funding would be used to create engineering/manufacturing labs in New Haven Public
Schools to educate students about the multi-faceted positions available in local manufacturing
companies.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Rosa L. DeLauro".
